

NEED SUPPORT FOR APPLYING TO NDN'S COLLECTIVE ABUNDANCE FUND?

Navigator Hubs - are community partners providing application support & technical assistance during designated times.

What support can you expect of the Navigator?

Assistance with:

- Registration process
- Logging into the application portal
- Support entering your responses to the application questions in the grant portal
- Uploading required documents in the grant portal
- Answering general grant application questions
- Provide feedback to strengthen your responses to application questions

Navigators are **Not** Expected to:

- Brainstorm or Develop your wealth building plan
- Draft and develop your responses to the Application Questions
- Conduct the research for determining estimated costs for completing the spending plan

Applicants need to be *prepared to work with a Navigator* by going to ndnco.cc/ColAb to:

- Read the Collective Abundance Fund Grant Purpose & Description
- View Webinars 1: Program Overview & Webinar
2: Stepping into Abundance- Application Support

Note: At this time, Spanish speaking support/services are not available at these navigation hub locations.
